Coronavirus (COVID-19) Law Enforcement Resources

Idaho law enforcement officers are in contact with members of the public on a daily basis and should be up-to-date on the information and prevention resources for the Coronavirus, both for the public's safety and your own. The resources below have been compiled from various agencies and entities from around the country.

If you have any questions, contact ICRMP's Law Enforcement Risk Manager, Chad Sarmiento, at 208-246-8203 or csarmiento@icrmp.org.
