

Medical Intervention/Inmate Well-Being for Dispatch Personnel

This course is open to all sworn or non-sworn patrol staff, medical first responders, or related public service agency personnel.

Presented through a combination of classroom lecture and practical exercises, this 4-hour course will provide students with principles and techniques that will help them supervise inmate populations. Legal duties regarding inmate supervision will be discussed with an emphasis on recognition of medical emergencies and proper response to them. Topics covered will include:

Deliberate Indifference	Estelle Decision
Constitutional Law	Idaho Codes
Medical emergencies	Likely symptoms encountered
Suicidal inmates	Emergency transportation

This is one of the popular classes for both new jail staff members, and those that support them through dispatch services. Please make plans to attend.
