
Detox/Mental Health Holds and Protocols

This course is open to all sworn or non-sworn Command Level Supervisors, or above, in any division of Law Enforcement or related public service agency personnel.

This newly updated POST certified class includes updates for all line to command level staff members.

Presented through a combination of classroom lecture and practical exercises, this 2-hour course will provide students with principles and techniques that will help them better handle citizen/suspects that are either dealing with mental health crisis or alcohol related detoxification. Laws surrounding intervention and protective custody for both will be covered. Topics covered will include:

Key concepts/definitions	How to address officer safety.
Mental illness response	Likely symptoms encountered.
De-escalation techniques	Communication recommendations
Idaho Code and Statutes
